4. This Consent Agreement, upon incorporation into a final consent order, applies to and is binding upon EPA and upon Respondent and Respondent's heirs, successors and assigns. Any change in ownership or corporate status of Respondent, including but not limited to, any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this agreement. This Consent Agreement contains all terms of the settlement agreed to by the parties.

In addition, a six percent (6%) per year penalty shall be assessed on any unpaid principal amount if payment is not received within 90 days of the due date (i.e., the 121st day from the date the final consent order is signed). Payments are first applied to accrued interest, penalty and/or handling charge; the balance is then applied to the outstanding principal amount.

- f. Respondent further agrees and consents that if Respondent fails to pay the entire penalty amount within 30 days of the date on the final order, the full penalty amount proposed in the Complaint shall become immediately due and owing by Respondent.

6. Nothing in this Consent Agreement shall relieve Respondent of the duty to comply with the Clean Water Act and its implementing regulations.

7. Failure by Respondent to comply with any of the terms of this Consent Agreement shall constitute a breach of the consent agreement and may result in referral of the matter to the Department of Justice for enforcement of this agreement and for such other relief as may be appropriate.

8. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other Federal entity of its authority to seek costs or any appropriate penalty associated with

any collection action instituted as a result of Respondent's failure to perform pursuant to the terms of this consent Agreement.

9. Pursuant to 33 U.S.C. § 1319(g)(4), on August 3, 2003, public notice was provided of the filing of the Complaint which is the subject of this Consent Agreement.

10. The undersigned representative of Respondent certifies that he/she is fully authorized to enter into the terms and conditions of this Consent Agreement and to bind the party he/she represents to the terms and conditions of this Consent Agreement.

11. The parties agree to submit this Consent Agreement to the Regional Judicial Officer, with a request that it be incorporated into a final consent order.

12. Each party shall bear its own costs and attorney fees in connection with this matter.

13. This Consent Agreement, upon incorporation into a final consent order by the Regional Judicial Officer and full satisfaction by the parties, shall be a complete and full civil settlement of the specific violations alleged in the Complaint and the June 7, 2002 EPA Inspection.
